

P.S. Occasionally we come up against supply problems which means we have to substitute bits in our hampers.

Don't worry anything we swap in will always be same value and quality (or higher) than the original, and we'll make sure it meets any dietary requirements.

Just bear in mind if we do have to do a swap, the nutritional and allergy summaries on here might not be quite right.

Name of Product	R&R Robert & Reeves Prosecco 20cl
