

P.S. Just to let you know, sometimes we come up against supply problems and have to swap bits in and out of our hampers.

Don't worry any new additions will always be the same value or higher, and for specific dietary hampers, we'll make sure suitable swaps are made. But it does mean that sometimes the allergy and nutritional info on the website don't quite match up.

Any worries, just get in touch.

DISCLAIMER: In the event of supply difficulties, we reserve the right to substitute any items with replacements of equal or higher quality and value that may or may not be listed in the contents section of the product descriptions. For special dietary hampers, suitable substitutions will be made.
