

P.S. Occasionally we come up against supply problems which means we have to substitute bits in our hampers.

Don't worry anything we swap in will always be same value and quality (or higher) than the original, and we'll make sure it meets any dietary requirements.

Just bear in mind if we do have to do a swap, the nutritional and allergy summaries on here might not be quite right.

DISCLAIMER: In the event of supply difficulties, we reserve the right to substitute any items with replacements of equal or higher quality and value that may or may not be listed in the contents section of the product descriptions. For special dietary hampers, suitable substitutions will be made.

In the event that a substitution is made, the nutritional and allergen summaries on our website may not reflect the true contents of the hamper.
